

13th Annual Living Education Retreat

Retreat with us on the Coteau Prairie at the historic Buffalo Ridge Resort as we consider the intricacies of a living education, parentcraft as a sacred calling, and other topics relating to Charlotte Mason's philosophy of education and life. Meet others on this journey through thoughtful discussions, shared meals, outdoor activities, and inspiring presentations.

The experienced Truth, Beauty, Goodness Community teachers (Kristin, Karla, Sally, Heidi, and Nancy), Jenn Stec, Jason Fiedler and other passionate practitioners of this relational education model are looking forward to meeting you!

Join Nancy Kelly & Art Middlekauff for a pre-retreat gathering on the foundations of a CM education.
